**Let's walk, talk and work together for a safer and healthier
Wednesbury as part of the Safer 6 Campaign!**

The Safer 6 campaign is an annual community initiative led by Sandwell Council in collaboration with the Safer Sandwell Partnership, which includes West Midlands Police, West Midlands Fire Service, probation and voluntary organisations. Running for 6 weeks, the campaign focusses on each of the 6 towns in Sandwell- dedicating a week to each. During these weeks, a series of events and activities are organised to address local concerns and promote safety and wellbeing.
